

POSITION TITLE: F2F Interim Financial Manager
REPORTING TO: CEO
LOCATION: London, Clapham Junction/ Home
SALARY PROPOSAL: Daily / Project rate to be agreed

JOB DESCRIPTION:

1. Reporting directly to the CEO, the Financial Controller Manager will be responsible for reviewing the company's accounting operations. This has been recently done and will need a casting eye to understand the business and make recommendations if needed.
2. The Financial Controller Manager will be tasked with delivering key financial projects in the business working with the financial and senior management team.

THE CANDIDATE:

1. The interim financial controller needs to be an individual that is capable of creating change, is a self-starter and would not need much management is the preferred choice.
2. They will need to have international experience.
3. They should be management accountant trained (CIMA) as we are looking to create robust reporting systems that can track billing, variable and manage costs daily over an international business.

CONTRACT TERM -6 MONTHS

SCOPE AND DELIVERABLES:

BRIEF REVIEW:

1. All company accounts and investments.
2. Monthly P&L forecasts and cash flow management and reporting.
3. To review the process to ensure minimum error and work or duplication of work.
4. Make recommendations on the implementation and improve current processes to increase efficiency or enhance the control environment.

PROJECT TO BE DELIVERED:

5. A procurement process that can work across the world.
6. Stock management process.
7. To identify the best financial software for a growing international business.
8. Pricing model.
9. MIS specification and data model, which tracks income and cost for invoicing and reporting.
10. Supply chain financial model.
11. Hedging.
12. Reporting process on the above.

CANDIDATE REQUIREMENTS SKILLS, EXPERIENCE AND BEHAVIOURS:

- Qualified Management Accountant (CIMA or equivalent)
- Have worked at another international business
- Possess excellent communication skills
- Experience using SAGE would be highly advantageous
- Excellent teamwork, communication and interpersonal relation skills
- Self-starter and completer
- Honesty; integrity; reliability
- Close attention to detail
- Critical thinking and problem-solving skills
- Delivers to given deadlines
